

The Jax Mac Foundation was created to carry on the legacy of Jaxon MacDonald by providing youth the exposure to experiences and opportunities that provide them ways to learn about themselves and expand their horizon.

Every event, every grant, and every kid we support continues *Jaxon's legacy of kindness, energy and love for life.*

WEEKEND HIGHLIGHTS

- Co-ed ball tournament
- Eddie Cummings live music Saturday evening
- Silent auction
- Canteen
- Kids play area at Teddie's Tent

This time next week, the tents will be up, the field will be getting its final touches, and the canteen will be stocked with plenty of cold Pepsi. We'll be ready to welcome everyone to the 6th Annual Jax Mac Foundation Softball Tournament.

What began from heartbreak has grown into something so much bigger than we ever imagined.

Every year, this weekend reminds us that even in the darkest moments, kindness, generosity, and community can create something truly meaningful. Jaxon's legacy continues to bring people together, and that is something we'll never take for granted.

None of this happens without countless hours of planning, an incredible team of volunteers, generous sponsors, and every single person who chooses to support us. To everyone who has helped us get here, thank you.

Whether you're coming to play ball, cheer from the sidelines, browse the donated auction items, try your luck on the 50/50, or simply spend some time with friends and family, we'd love to have you there. Everyone is welcome!!

Saturday, August 8

Games begin at 7:00 a.m. and continue throughout the day until 8:00 p.m. Silent Auction begins at 8am and ends at 5pm sharp! Then join us around 8pm for a free evening of live music with Eddie Cummings.

Sunday, August 9

The excitement continues with the crossover games, semifinals, and championship as we close out another unforgettable weekend.

We'll also have:

- Incredible donated auction & raffle items.
- 50/50 draws
- Tickets for our 4-wheeler raffle \$50 each or 3 for \$100.

Every game played, every ticket purchased, every donation, and every person who shows up helps keep Jaxon's name alive in the best possible way. His story continues through every smile, every friendship, every scholarship, every act of kindness, and every life this foundation has the privilege of helping.

We hope you'll join us next weekend and be part of it! If you still wish to donate, please reach out to myself or a member of our JMF Team!
